Application No. 10/031,534 :  
Filed: July 26, 2000 :  
Attorney Docket No. 06-350-US :

ON PETITION

This is a decision on the petition to expunge assignment records, filed August 19, 2008, that is being treated under the provisions set forth in MPEP § 323.01(d).

The petition to expunge is **DISMISSED**.

As set forth in MPEP § 323.01(d), a petition to expunge assignment records information can be granted only if the petitioner can prove (emphases added) that:

- (A) the normal corrective procedures outlined in MPEP § 323.01(a) through § 323.01(c) will not provide the petitioner with adequate relief; and
- (B) the integrity of the assignment records will not be affected by granting the petition.

The instant petition fails to satisfy at least the requirement set forth under (A) above, and is therefore **DISMISSED**. Petitioners should note that merely asserting that the relief provided under the provisions of MPEP § 323.01(a) through § 323.01(c) would be insufficient on the grounds that the erroneous assignment would be still viewable, is not convincing. With the assignment corrected under the procedure outlined in § 323.01(c), anyone viewing the assignment on the instant application would conclude that the assignment recorded in 2004 was clearly erroneous as the assignment recorded subsequently in 2005 would make clear. Petitioners have failed to prove that the corrective procedures outlined in MPEP § 323.01(a) through § 323.01(c) will not provide the petitioner with adequate relief, as required by provisions set forth in MPEP § 323.01(d).
